2025-2026 Theme Passage

¹⁸ And I told them of the hand of my God that had been upon me for good, and also of the words that the king had spoken to me. And they said, "Let us rise up and build." So they strengthened their hands for the good work. Nehemiah 2:18

You have enrolled your child in a school that is committed to providing a distinctively Christian educational environment where curriculum, instruction, and methodology proceed from the Holy Word of God. We are happy that you are a part of Somerset Christian School.

The policies and procedures contained in this handbook have been carefully prepared to be of great value in helping you and your child become an integral part of this school. All students are expected to know and follow the regulations in this handbook. These guidelines have been designed with their best interests in mind.

Vision

Training a generation to change the world

Mission

Helping student discover and develop their full potential in Christ

PURPOSE

In response to the parental mandate laid out in Holy Scripture in general and in Deuteronomy 6 and Psalm 78, Somerset Christian School has been established to serve families by offering a distinctively Christian educational environment. The scripture clearly places the responsibility for training children in the “ways of the Lord” on the shoulders of the parents and family.

The ministry of Somerset Christian School exists to assist parents in carrying out their responsibilities by providing a caring, devoted, qualified staff committed to the purpose of training children in Godly character and discipline, employing such curriculum and instructional materials as are consistent with those goals.

Somerset Christian School exists to serve families through a distinctively Christian education where curriculum, instruction and methodology are based on the eternal truth of God’s Word. SCS is dedicated to helping each child discover and develop his or her full potential in Christ through Biblical training, academic mastery, spiritual growth, and physical development. Through training and developing a Christian World View in each of our students, we endeavor to train a generation to change their world.

For parents looking for a return to God-centered education, searching for an education that teaches children to love God’s Word, textbooks that teach honor and reverence to God, and educators who understand and teach the value of character and morality, Somerset Christian School exists to serve you and your family.

STATEMENT OF FAITH

Recognizing Jesus as the Author and Finisher of my faith, and the Word of God as the Supreme standard for all wisdom and knowledge, it is my aim to develop myself, accordingly, realizing that as I seek first His kingdom and righteousness, all these things shall be added. (Hebrews 12:1, 2; James 1:5, 6; 1 Peter 1:24; 1 John 2:5, 6; 1 John 5:3-5.) I will endeavor to follow the will of God for my life and to exemplify Christ-like character through daily personal prayer and consistent study of the Word of God, and through faithful group worship both at school and at church. (Matthew 7:7-11; James 1:22; 1 Peter 1:13-16; 2 Peter 1:10-11; Galatians 4:7.)

We believe the Bible to be the inspired and only infallible authoritative Word of God. (II Timothy 3:16)

We believe that there is one God, eternally existent in three persons Father, Son, and Holy Spirit. (I John 5:4-6)

We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory. (I Corinthians 15:3, I Peter 2:21-24, John 3:16, I Thessalonians 4:18; Revelation 21:20)

We believe that for salvation of lost and sinful humanity, regeneration by the Holy Spirit is essential. (Romans 3:21-30; Galatians 4:4-7)

We believe in the present ministry of the Holy Spirit by who's indwelling the Christian is enabled to live a godly life. (Acts 1:8, Ephesians 5:18)

We believe in the resurrection of both the saved and lost; that they are saved unto the resurrection of life; and that they are lost unto the resurrection of damnation. (John 5:24, 28, 29)

CONDUCT – “THE COUGAR WAY”

We want to create an environment where students, faculty, and families can learn and grow academically, spiritually, and socially. We believe that routines and procedures are necessary to develop this type of culture. The **Cougar Way** is the tool we will be using to accomplish this goal. The Cougar Way is a standard that we have set for Somerset Christian School and it is characterized by being respectful, taking ownership, being accountable, and taking responsibility. We will be using the acronym R.O.A.R to communicate this to students, faculty, and families. This will be a schoolwide approach, from PreK-12th grade. All students will be held to the same behavior expectations. Each teacher will be teaching students all about being respectful, taking ownership, being accountable, and taking responsibility. Routines and language will be used to keep “The Cougar Way” consistent throughout the school.

While the goal is to create positive conduct among our students, it is vital to understand why this is important. Very simply, this is the way of Jesus. The Bible teaches us to put the interests and well-being of others first.

Philippians 2:3-4 (ESV) “Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves. ⁴ Let each of you look not only to his own interests, but also to the interests of others.”

The way we treat each other, the way we talk to each other really does matter. As such, there will be consequences for violating school rules; those will include office referrals, parent meetings, detention, suspension, and expulsion.

We believe that teaching correct behaviors and expectations will greatly decrease the need for punitive forms of punishment.

To be successful, our behavior program needs to be a partnership between home and school. Please support The Cougar Way by:

- *Reviewing the behavior expectations with your child.
- *Consider using R.O.A.R expectations at home.
- *Provide positive reinforcement (rewarding good choices with praise) at home.

Together we achieve more!

Pastor's Council

The Pastor's Council maintains the specific operational and spiritual oversight of the school. Current Members of the Pastor's Council are Mark Harrell, Gary Phelps, Alan Fisher, and G.J. Farmer.

School Board

The Board shall determine policies for the school and develop an operating budget based on tuition, fees, and gifts for that purpose.

STATEMENT OF NON-DISCRIMINATION

Somerset Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school.

The school does not discriminate based on race, color, national and ethnic origin in the administration of its educational policies, admissions policies and other school-administered programs.

However, Somerset Christian School reserves the right to use appropriate selection and dismissal criteria in keeping with its stated goals and objectives.

ACADEMICS

****Late work will NOT be accepted after 4 days. A penalty of 10% the first day, 20% the second day, 30% the third day and 40% the fourth day will be deducted from the grade.**

Parents are asked to observe the following process to resolve questions or problems:

- The parent/guardian must discuss the issue with the classroom teacher
- If the question remains, the parents may appeal to the lead teacher.
Elementary Lead Teacher: Mrs. Meadows
Middle/Highschool Lead Teacher: Mrs. Ping
- Failing to come to a mutually agreeable solution, parents may seek an appointment with the head of school or the principal

Educational Services

We provide educational services for students with mild learning difficulties. We have faculty trained in a variety of techniques to provide a quality education for your child, at their pace, and at their level. While we can offer a service for mild difficulties we are not equipped for all students' needs. It will be determined during the interview process whether we can meet your child's needs.

Wednesday Night Homework – Families are encouraged to attend church services and students are encouraged to be active in their youth groups. Consequently, homework is not given on Wednesday nights in any grade and tests are not given on Thursdays. Teachers have been asked to collaborate to prevent overload of homework on any given day.

Report Cards– Report cards will go out the end of each 9-week grading period. Midterm reports will be given only to students who have a C or less in any subject. Parents will have an opportunity to discuss academic concerns with the child's teacher during the scheduled parent teacher conferences.

Athletic Program – **Participation in athletics at Somerset Christian School is a privilege not a right. Students who participate in athletic programs must maintain a C grade in each class.** Grades will be checked weekly by the principal and athletic director each Friday. If an athlete fails to maintain these standards, he/she will be suspended from the team until the student improves his/her grades to meet the eligibility standards. **A student will be reinstated on the first Friday that he/she meets eligibility standards. An athlete suspended will not be allowed to practice, play, or travel with the team.** Student athletes must present proof of insurance and a doctor's statement that they are physically fit to participate with the team. Students must be present at least ½ day on game day to participate. Noon will be considered midday. The student-athlete must maintain an excellent disciplinary record to represent SCS. Student-athletes may be suspended or dismissed from the team for disciplinary problems that may result in suspension from school.

Assessment: We have chosen I-Ready diagnostic as part of our school wide yearly assessments. Students will be tested using I Ready diagnostic in the Fall (beginning of school), Winter and Spring. Classroom teachers will share the data with parents.

3. Grade
4. Reason for absence
5. Estimated date of return

Upon returning to school after an absence, all students will furnish a written note from their parent or guardian stating the reason for the absence, days of absence, and signature of the parent or guardian. In the case of an absence requiring a physician's attention, students must furnish the office with a medical excuse from the attending physician.

Early Dismissal – Student check out before 12:30 pm is considered ½ day absence. Check-out after 12:30 pm is counted as an early dismissal (counts the same as a tardy). **Either must meet guidelines for excused absences.** There will be no early dismissals after 2:45 pm to keep traffic lanes open for school dismissal. Please keep early dismissals to a minimum so your child's education will not suffer.

Perfect Attendance – Perfect attendance is defined as no absences – excused or unexcused – and no unexcused tardies.

The absence will be counted as part of the State of Kentucky attendance law. Students who drive may not check themselves out without authorization from a parent/guardian.

Parents will be required to sign a release of information form so we can receive records from the sending school.

Address Changes – Whenever there is a change of address or telephone number, please call the office and notify us of the change. The same is true for changes in doctor, office, and/or emergency numbers, as well as numbers of persons authorized to pick up students.

Re-enrollment – Re-enrollment applications for the upcoming school year will be accepted for students in good standing. Registration fees are non-refundable.

FINANCIAL

Tuition and Fees – Enrollment fees are payable when students are registered. Payment of this fee reserves a place on the class list. It is, therefore, non-refundable. Parents may pay tuition by full payment through FACTS by the first day of school or by authorized automatic monthly withdrawals from a bank account for ten months beginning August 3 and ending May 3 each year. For parents choosing the full payment plan, full payment must be made to the school office before school begins. There will be a 2% discount for tuition paid in full for the year.

Delinquent Accounts – Accounts are considered delinquent **after the 3rd of each month or semesters not paid by due date.** If an account remains outstanding after 30 days, the student will not be allowed to return to school until the account is made current. Additional fees may be assessed after 30 days. For additional detailed information on delinquent accounts. **For those paying by semester, there will be a \$125 late fee assessed if not paid the 1st day after Christmas break.** If the account is not paid by Jan. 31, the student will be withdrawn unless a delinquent payment plan is developed.

Delinquent Lunch Accounts: Students with a \$200 or more lunch balance will NOT be allowed to charge their lunches.

Returned Check Policy – There will be a \$25.00 service fee assessed on each returned check. The check amount plus the \$25.00 is to be paid in cash or money order at the school office. Uncollected checks will be turned over to the County Attorney's office.

Student Withdrawal – A student is not classified as withdrawn until the school business office receives an official school withdrawal form from the transferring school. This form can be obtained in the school office. All schoolbooks, material, equipment and other school-related business, including tuition, must be finalized and turned in before withdrawal can be completed. If a student withdraws after the first of the month, the parent remains responsible for the complete month's tuition. **All obligations, including financial, must be cleared before final withdrawal to obtain release of records.**

Insurance – Student accident insurance is included as part of the student fee. This coverage is limited and secondary in nature. It is recommended that all families have their own family accident insurance.

FACTS: All families must create and use their FACTS account for student grades, schedule information, and financial payments. This includes lunch payments, aftercare payments and athletic fees.

Gifts and Memorials – Presently, tuition is not tax deductible, but cash gifts are deductible. Also, from time-to-time parents may like to donate books, classroom equipment, and other items in memory of a deceased loved one or in honor of a special birthday or graduation. Anyone who desires to donate may check with the school office. We are a 501 (c)(3) organization.

Fundraising – Tuition payments do not cover all the costs. Somerset Christian School endeavors to keep tuition rates low to make Christian education affordable to as many Christian families as possible. We, therefore, depend on your support and God's blessing to keep our program operating. Fundraisers may be conducted on limited occasions throughout the school year.

Honor Code Pledge – Grade 5-12 students will be required to sign a pledge to follow the School Code of Conduct and Honor. In signing this pledge, students are committing to a 24-hour lifestyle on and off campus that honors God.

I will apply myself to my studies and endeavor to develop the full powers of my mind in Christ. (Luke 2:52; Philippians 2:5; 1 Corinthians 1:5).

I will practice good health habits and regularly participate in wholesome physical activities. (1 Corinthians 3:16, 17; Romans 12:1.)

I will abstain from the appearance of evil. (1 Thess. 5:22.)

I will yield my personality to the healing and molding power of the Holy Spirit. (James 5: 14-16; Acts 1:8; Acts 2:1-4).

I will endeavor to faithfully give heed to the call of God on my life and develop the gifts and abilities God has given me. (1 John 2:20; 1 Corinthians 12:18-31; Ephesians 4:11, 12)

I will seek to practically share the love of Christ through personal witness and specific ministry on a regular basis in an area of Christian service. (Matthew 23: 19, 20; Matthew 10:8; John 15:17; 1 Corinthians 15:58; 2 Corinthians 5:18; 1 Corinthians 9:22).

I will learn to accept all school policies with a positive attitude because discontentment can become nothing more than a bad habit, a costly attitude that can rob me of the pleasure of being a positive student. (Psalm 30:5, 1 Corinthians 15:33)

I will refrain from being selfish, disrespectful, irreverent, irresponsible, demanding, discourteous, or destructive with my attitude toward fellow students or teachers. (Galatians 5:22-23)

I will always refrain from the use of profanity, offensive slang, vulgarity, envious rivalry, and foolish jesting. (Ephesians 4:29, Colossians 3:8)

I will not lie, cheat, or steal nor tolerate those among us who do. I am not only expected to adhere to this policy but also to promote and encourage my peers in following it. (Leviticus 19:11-12)

I will submit myself to the leadership of Somerset Christian School and/or any rules or regulations that may be adopted or changed from time to time. I realize that my attendance at Somerset Christian School is a privilege and not a right. I determine to give my best and prayerfully support SCS and its philosophy of providing a quality education without compromising the Word of God. (Titus 3:1-2)

Failure to follow this Code of Conduct will result in one or more consequences, some of which may include theme writing, removal from the classroom, corporal punishment, suspension, or dismissal. We expect to follow Scriptural guidelines for giving correction in order that our children will become self-disciplined individuals. Following this Code will require courage, consistency, conviction, diligence, and a genuine enthusiastic effort.

- Nothing in this policy changes school policy regarding non-medical cannabis or any other prohibited substances.

Other policies may be added throughout the school term if it is deemed in the best interests of the school and/or students.

Discipline – We believe that discipline is necessary for the welfare of the student as well as the entire school. Each teacher is required to make and enforce classroom regulations in accordance with Christian principles, administrative directives, and discipline as set forth in the Scriptures. Somerset Christian School expects full cooperation from both student and parents in its educational efforts. If, at any time, the school feels that this cooperation is lacking, the student may be required to withdraw. Also, if a student's behavior indicates an uncooperative attitude, the student may be dismissed. Biblical principles used by Somerset Christian School for guiding children to predetermined discipline goals include: (1) Instruction (2) correction (3) exhortation (4) rebuke and (5) chastisement (rod of correction). Items 1-3 will occur as

rules are established in the classroom and handbooks are reviewed. Items 4-5 occur when students ignore items 1, 2, or 3. Our goal is to assist you in developing a disciplined character in your child. Discipline and learning work together in a successful Christian school environment. It is expected that students at SCS will put forth a quality effort to listen and obey the voice of their “inner man” (spirit) and to exemplify Christ-like character.

Potential Disciplinary Actions – The following disciplinary actions may be used to correct student misbehavior.

1. **Detention (3 Detentions results in a suspension)**
2. **2- or 5-Day Suspension**
3. **Expulsion**

Detention – Students who violate school or classroom rules may be assigned detention. Detention will be assigned at the discretion of the teacher or administrator. Students assigned detention must report on the day assigned and stay the entire allotted time. If a student fails to attend detention, he or she will be suspended. If detention is not effective in reforming behavior, suspensions or expulsion may result. Detention will be held from 7:30-7:55. Students will be given a task to complete during this time. Students are not allowed to work on schoolwork during detention.

Detention Expectations

1. If you are late for detention, an additional detention will be assigned.
2. There is no communication with other students while serving detention
3. There will be no sleeping during detention.
4. A problem in detention will result in another detention being assigned. A second problem in detention will result in suspension.

Suspensions – Under certain circumstances, it will be necessary for the administration to take severe disciplinary action. In such cases, a student may be suspended from one to ten days. Parents will be notified. It is the student’s responsibility to collect

homework assignments for the work that was missed and for making plans to take any quizzes or exams. Multiple suspensions in a school year may be cause for expelling the student from SCS.

During a suspension from school, students are not permitted on school grounds or at school functions, on or off campus. Non-compliance may lead to additional suspension or expulsion. Suspension may result in loss of extra-curricular privileges for the semester or year.

Expulsion – For the most egregious of offenses, students will be expelled. A student who is expelled shall be immediately dismissed from the school. Expulsion shall be for the balance of the current semester plus one semester. A student who has been expelled shall be considered for re-enrollment only when the following conditions have been met:

- * A pastor's interview and a letter of recommendation.
- * A youth pastor's interview and letter of recommendation.
- * Principal's interview and letter of recommendation.
- * Approval of review by the SCS Pastor's Council.
- * Formal probation period.

Zero Tolerance – Somerset Christian School has adopted a zero-tolerance policy for students involved in drug possession, usage, or trafficking (including marijuana, chemicals, huffing, etc.) possessing illegal firearms /weapons on campus or bullying. Students engaged in such activities may be expelled and their offenses reported to local law enforcement officials. Drug testing may be required by SCS.

Cars on Campus – Driving on campus is a privilege that can and will be revoked for disciplinary reasons including, but not limited to, excessive tardies, multiple unexcused absences, careless or reckless driving, or failing to maintain passing grades in all classes. No student is to leave with another student in an automobile without written permission on file in the office. Student drivers are to exit their cars and go to class immediately upon arrival at school. Take your keys, lock your car, and do not loiter in your car or the parking lot.

An SCS car tag is required to be displayed in the car of any student that drives to school and must be maintained in the school office. Any student not obtaining the SCS car tag may have their driving privileges revoked.

Character Training – Every subject area, every teaching method, every attitude, every action of student or teacher is a means of training character. Character training is taking place throughout the day, no matter what else is being taught. Teachers maintain orderly, structured classrooms and expect the students to work hard to learn subjects being presented. In the process, teachers strive to teach students to:

- Respect authority.
- Pay attention.
- Obey willingly and immediately.
- Apply themselves to the task at hand.
- Learn rules and apply them.
- Understand how things work together.
- Finish the job.
- Do right because it is the right thing to do.
- Work hard to get the right answer.
- Love wisdom.
- Choose things that are excellent.
- Develop habits of orderliness, carefulness, alertness, obedience, persistence, honesty, accomplishment, and cooperation.

The Mission of SCS Athletic Department

Somerset Christian School has been established to serve families by offering a distinctively Christian educational environment.

The mission of Somerset Christian School is to help each child discover and develop his or her full potential in Christ through Biblical training, academic mastery, spiritual growth, and physical development.

SCS Athletics exists to support this mission by using the experiences and opportunities provided by interscholastic competition.

The Vision for SCS Athletics is to:

HEALTH SERVICES

Tobacco/Vaping Products— SCS is a tobacco-free facility. Use of tobacco/vaping is prohibited.

Medicine — Ideally all medication should be given at home. Somerset Christian School recognizes that some students may have special needs which require a prescription or over the counter medication to be administered during school hours. SCS requires a form, (obtained through the school office) signed by the family medical doctor or parent giving clear directions on the name and amount of medication to be given, time to be administered, side effects, etc. No more than one week's supply should be sent to school. Non-prescription Tylenol or throat lozenges are available for students in the office, provided that written permission from the parent is on file in the school office. All medicines are to be left in the school office upon arrival of the student at school. No medications should be in the student's possession in the building.

P.E. Excuses – When any student has a physical challenge that limits activity or prohibits a particular activity, the school requires a note from the family medical doctor indicating the reason for limitation and the period for which the limitation is valid. Parent request alone can only be honored for three days without a doctor's notice. A significant portion of the student's grade is based on participation.

PARENT MINISTRY

We strongly encourage involvement of our parents in the activities of the school. If you are interested in serving or volunteering, please forward a note to the school office identifying the areas in which you would like to minister. It is expected that parents will attend all Parent-Teacher Fellowship nights. These events may consist of special teaching and training on topics important to parents. Room parents, class sponsors, and daily intercession are important responsibilities of our parent ministry.

Parent-Teacher Organization – The purpose of PTO is to serve the school and its families. Its desire is to foster a greater understanding of Christian education, to help parents in the rearing of their children, and to encourage them to be more loyal and committed to the school. The PTF sponsors several events each year designed to promote closer relationships and a sense of community among parents, teachers, and students including bi-monthly meetings, a fall festival, field day and "giving tree".

Parent Teacher Communication – We encourage out staff and parents to utilize the Matthew 18 Principle. Most of your questions and concerns can be resolved by going directly to your child's teacher. If you have a question or challenge concerning your child's grades, homework, class behavior or activities, please contact the student's classroom teacher.

Parent – Teacher Conferences: There will be scheduled Parent Teacher Conferences twice yearly. If you should need to talk with your child's teacher other than those scheduled times, please contact that teacher directly.

Parental Visits – It is our desire to be of service to both parent and student. We welcome parents who wish to visit. We do require, however, that any visit to a classroom be scheduled in advance with both the teacher and school office. Parents

are not allowed in the hallways, classrooms, etc., without first checking in with the office.

SAFETY

School Lockers – Lockers are the property of the school and subject to be searched. The Principal or Head of School may search any items brought onto the school campus, including student-driven automobiles, if there is reason to suspect items may be present which are not permitted or may be dangerous.

Fire/Disaster Drills – Fire drills are held periodically throughout the school year. When the alarm sounds, students must go quickly and quietly outside the building to the designated area. An announcement will be made by the principal when students may return to the building. It is necessary that all students be present and/or accounted for. Teachers will familiarize students with the proper exit route.

To do all that we can to ensure school safety, the following procedures will be followed:

- The only entrances into the building in the morning will be drop-off at the front door for K-12 students and the side door for PreK students.
- These doors will be locked at **8:00 am**. At that point, the only entrance into the building will be via the front door and a person can only enter when office personnel electronically opens that door.
- All students arriving after 8:00 am will need to come through the school office.
- All doors in the building will remain locked during the day.
- ***In no instance should a door be propped open.***
 - While all faculty and staff should be responsible for making sure doors are closed and locked, certain personnel will be given that duty throughout the school day.

Visitors at SCS

During school hours, all visitors to SCS must be granted entrance into the building and must display a “Visitor’s Badge” which will be given to them by office staff.

- *This excludes delivery drivers and contract workers or those only coming into the school offices.*
- In addition, visitors must sign-in upon arrival and sign-out upon leaving.
- Visitor's Badge must be turned into the front office prior to leaving the building.

Injuries/Safety – Report any injury immediately to your teacher. Report any equipment or apparatus that may be dangerous. Do not try to move a fellow student with an injury, notify your teacher.

Crisis Response – It is unfortunate that at some point we may face a crisis during the school day. Our faculty have been through crisis response situations and have been instructed what to do if a crisis were to arise. Faculty and staff have been trained in crisis issues and what their response should be. This includes communication methods with the administrative team, evacuation routes and evacuation zones. At all times, the priority is the safety of our students.

The priority of all faculty and staff at SCS is to ensure the safety of our students. A crisis is a reaction to, or perception of, a situation or event which causes physical and/or psychological trauma to students and/or staff and requires immediate action because of its disruption or potential disruption to the educational process. A crisis may impact a small group of students in one classroom or the entire school community. Crisis response is designed to restore a school and community to base line functioning and to help prevent or minimize damaging psychological results following a disaster or crisis. It is essential to handle a crisis in a rapid and sensitive manner. No single plan or intervention will fit all situations and meet all individual needs. Actions need to occur to respond comprehensively to a crisis; the order of responses will vary according to the crisis and the site needs.

Upon notification of a crisis, the administrative team will assess the situation as quickly as possible to ensure the safety of students and faculty and will complete the following steps:

- Contact the appropriate local authorities.
- Contact parent(s) or family member of involved persons.

- Decide what information can be shared.
 - *No one other than the Head of School or Principal should make any public statement concerning a crisis.*
 - Make an announcement to SCS families to inform them of this crisis. *This will happen as quickly as possible, but not before the situation is under control and the facts of the situation have been verified.*
- Possible types of crises: death of a student or staff member, threats of or actual acts of violence, suicide attempt or completion, natural disaster such as earthquake, fire, automobile or other accident.

Insurance – If your child is involved in a school activity and requires medical treatment, please notify the office as soon as possible so proper insurance forms can be submitted.

All staff members and regular volunteers must have state and FBI background checks.

AHERA REQUIRED ANNUAL NOTIFICATION

As required by the EPA and the Kentucky Division for Air Quality, Somerset Christian School maintains an Asbestos Management Plan. Our school is certified “Asbestos Free”. Our Asbestos Management Plan is available for review in the school office during regular business hours.

MISCELLANEOUS

Textbooks – Students are responsible for all material checked out to them. Students who lose books or mistreat books resulting in more than normal wear and tear (water damage, ripped covers, broken bindings, etc.) will be fined an appropriate replacement or repair cost. Writing is permitted only in workbooks as assigned by teachers. Teachers will check periodically on textbooks, their ownership and condition. Report cards will be retained for unpaid book fines or textbooks that have not been turned in.

Housekeeping – Each student is expected to do his/her part in keeping the classrooms, hallways, playground, bathrooms, and campus clean. Please, help us keep our building and grounds clean as a Christian example to the community. This can be accomplished

if each of us deposits our trash in the proper container and pick up paper, rather than walking over it. Trash containers are in each classroom, as well as each bathroom. Food or drink (other than water) will not be allowed in the classrooms.

TECHNOLOGY RULES AND REGULATIONS

Technology used to access the internet or other school-supplied electronic media (Wi-Fi, internet, etc.) is monitored and sites may be reviewed by school personnel as part of our plan to protect the integrity and mission of the school by limiting access of anyone who accesses electronic media through our Wi-Fi, internet, etc.

Generally, behavior including, but not limited to, the following is not permitted:

- Sending, displaying, or receiving obscene language and/or offensive messages or pictures.
- Sending chain mail.
- Harassing, insulting, or attacking others.
- Damaging computer systems or computer networks.
- Violating copyright laws.
- Using another's password.
- Trespassing in another user's files, folders or work.
- Intentionally wasting limited resources.
- Using the network for commercial purposes.
- Students are not permitted to use the internet at school without adult supervision.
- Students are not to enter "chat rooms" or post messages on other websites from SCS computers without specific permission of a staff member. The use must be monitored by staff and used as part of an on-going lesson or school activity.

CELL PHONE & ELECTRONICS POLICY

Somerset Christian School has adopted a **Zero Tolerance Cell Phone Policy**. Cell phones are not to be used at any time. Students will keep cell phones and other electronic devices always turned off and in backpacks or lockers. Cell phone usage is not permitted during breaks or lunches.

If you need to reach your student as a parent, please do so through the office. Your child is not to have their phones out from 8:00 a.m. -3:00 p.m.

If a student is caught using a cell phone or electronic device they will be subject to the following series of consequences.

- 1st offense: Parent will need to meet with Administration to pick up the device.
- 2nd offense: Student will be suspended from school.
- 3rd offense: If the student is unwilling to comply, stronger measures will be considered at this point, including expulsion.

This will start over each semester.

Adopted 4/15/23

Cell phone usage has been correlated with multiple social, emotional, and psychological problems. We believe it is our mission and responsibility to provide a healthy environment for our students. It is important that we are consistent in this policy.

Violation of these rules and regulations may result in loss of access/usage of technology as well as other disciplinary or legal action. Signing the Assurances Page of the Parent Student Handbook signifies parental permission for students to access networked computer services such as the internet. While usage is monitored by staff and monitored electronically by the school, no system is foolproof. Parents have a responsibility to set and convey standards for the student to follow when selecting, sharing, researching, or exploring electronic information and media.

DELINQUENT ACCOUNTS PROCEDURES

Please keep accounts current or paid in full. Somerset Christian School depends on the revenue generated by tuition to cover the operating expenses of the school. Delinquent accounts cause a funding imbalance that jeopardizes the work of the school and our accreditation.

If you find yourself **delinquent** in your payment (no payment made by the 3rd of the month or semester payment not received by due date), please contact the school administrator to discuss the issue. It is not our desire to turn anyone away due to unforeseen emergencies, but we must remain financially solvent and cannot do that without the funds provided by tuition payments. **There will be a penalty for late payment (see financial section.)**

If your payment is **30 days delinquent**, you must make an appointment with the school administrator within **5 days** to develop a plan to make the payment and keep the student in school. If no appointment is made within the 5-day period, the student will be withdrawn from the school. At the meeting, a plan will be developed and signed by the parent/guardian and the school administrator. **Failure to comply** with the terms outlined in the plan will result in the student being withdrawn from the school.

In the event a student leaves the school with a delinquent account, no grades, credits, progress reports, records, or transcripts will be released until the balance on the account has been paid.

All accounts must be paid in full by the end of the school year.

Athletic Fees MUST be paid prior to the first game for a student to participate.

Scholarships:

Students receiving tuition scholarships are expected to adhere to the following expectations:

1. Maintain a 90% attendance rate or higher.
2. Grades must be above failing.
3. Repetitive/Severe Behavior issues can result in revocation scholarships.

SOMERSET CHRISTIAN SCHOOL

Abuse and Neglect Policy:

KRS 600.020 “Abused or neglected child” is a child whose health or welfare is harmed or threatened with harm.

Somerset Christian School educates all faculty members during professional development to recognize and report child abuse or neglect. In Professional Development, staff members are made aware of the Faculty Handbook policies and procedures related to reporting abuse or neglect of a child. Abuse or neglect of a child by a staff member will be grounds for dismissal. A staff member suspected, or abuse or neglect of a child will be reassigned duties away from children until the matter is resolved.

The law requires anyone who suspects abuse or neglect of a child to report it immediately. Staff members who suspect that a child is being abused or neglected must report the abuse/neglect directly to the Department for Social Services at 606-677-4086 or to the Kentucky Abuse Hotline at 1-800-752-6200. Inform the school administrator that a report has been filed.

In dealing with any suspected abusive situations, staff members must uphold the highest level of confidentiality and respond in a Biblical manner. Pray for all parties involved.

There are no legal ramifications for a staff member reporting suspected abuse or neglect as state law requires the reporting of all suspected abuse/neglect.

Policies for Somerset Christian School Regarding Sexual Morality

General School Policies

Affirmation of Core Beliefs Regarding Sexual Morality

God created male and females, each with separate and unique gifts. Sexuality is a gift from God which must be used in keeping with His plan. God's plan grants that sexuality be expressed between 1 man and 1 woman within the holy state of matrimony. The scriptures affirm that any sexual expression apart from the marital union is immoral and sinful before God. Such practices include but are not limited to engaging in, viewing, or condoning pornography

or acts homosexuality, transgender identity, or any sexual expression apart from the marriage union.

Members of the body of Christ are given the power of the Holy Spirit to help them conduct themselves as God intended. We are all required to call upon this power so as to refrain from engaging in or condoning immoral and/or indecent conduct.

Because of the school's belief that any sexual practices and lifestyles apart from that expressed in the marital union of 1 man and 1 woman are contrary to God's plan, and, in fact, inimical and antithetical to the mandates and teachings of the Christian scriptures regarding personal living and conduct (See for example: Gen. 2:24; 19:5, 13; 26:8-9; Lev. 18:1-30; Rom. 1:26-29; 1 Cor. 5:1, 6-9; 1 Thess. 4:1-8; Heb. 13:4), the school will not admit students who themselves or their immediate families nor retain employees or volunteers who engage or condone any form of homosexuality, lesbianism, bisexuality, transgenderism, bestiality, incest, fornication, polygamy, pornography, or any sexual expression apart from the marital union. In addition, the school will not make the facilities, property, or staff members available to any persons or organizations that engage in, espouse, or encourage others in such practices.

Employee and /or Volunteer Policies

Any employee and/or volunteer who engages in conduct or who condones or supports sexual expression apart from God's plan will be given an opportunity to counsel and pray with school and/or church leadership about the situation. If the employee does not repent and correct the error(s), the employee will be terminated for misconduct. If the volunteer does not repent and correct their error, the volunteer will be removed from their role and/or participation.

Student/Family Policies

The school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of the student are counter to or are in opposition to the biblical lifestyle the school teaches. This includes, but is not necessarily limited to, participating in, supporting, or condoning homosexuality, lesbianism, bisexuality, transgenderism, bestiality, incest, fornication, polygamy, pornography, or any sexual expression apart from the marriage union, or being otherwise unable to support the moral principles of the school.

Adopted May 5, 2014

The committee will also establish a plan for inspection of the building, grounds, and buses to ensure cleanliness and proper upkeep of all property. The plans shall include physical inspections as well as surveys of stakeholders involved with the school (staff, students, parents).
